

Youth in KC - Hurricane Barry in MC

Six youths and two brave adults left Tuesday evening for Youth 2019 in Kansas City. 4000 Methodist youth from all over the world are gathering for this 4 day event of worship and transforming experiences. Check our Facebook for their latest escapades. They'll be telling their stories when they come back. Please hold them in prayer for safe travel and life changing experiences.

Apparently Hurricane Barry will make a pass through out neighborhood this weekend. Church will happen Sunday morning. Please make good decisions about getting out if the storm has not passed by then. If you need help this weekend before or after the storm call Rev. Ann 337-962-2235. We take care of each other!

**Jesus says,
"When the storms of life are raging, Stand by me."**
